DR. TODD'S IMITATORS!

Since Dr. S. CLAY TODD has been acknowledged by all to be so successful in the treatment of Catarrh, Nervous Debility, Impotency, Rheumatism and all nervous and other chronic diseases, dozens of would-be specialists have tried to locate in Grand Rapids.

Some of them had, or thought they had, means of their own that the public would grasp at as a means of relief, others have been agents of some other "Cure," but all have been judged for what they were worth, which was nothing but a "catch-penny dodge" to get the people's money, when they were really looking for Dr. S. CLAY TODD.

They thought from the amount of advertising being done by Dr. S. CLAY TODD that there was a great amount of business in Grand Rapids, but on coming here they found themselves mistaken, as the field was all occupied, as Dr. S. CLAY TODD was doing the work, and the people were not looking for outside help. Consequently they squirmed around and resorted to all sorts of subterfuges, and finally left Grand Rapids in disgust, most of them being in debt to the newspapers and others who had tried to help them in advancing their schemes.
